Continuation of Substance of Interview including description of the general nature of what was discussed: applicant's attorney was called to suggest adding " and a plating layer " and " said plating layer " into independent claims 1 and 12 to avoid a potential 102(e)/103 rejection and to cancel non-elected claims 37-49. The attorney received approval from the applicant to add the phrases above into the independent claims 1 and 12. The attorney gave the examiner authorization to make this changes by examiner's amendment. Therefore, a notice of allowance is forthcoming.
